

# The Lost and found

Imagine you found a mobile phone on your latest trip to an English-speaking country. After some thought, you phoned the last dialed number. What you discovered didn't just surprise you, it also took you on a journey you will never forget.

When you returned home, you decided to share your experiences and write an entry on the Travel Writers' Online Youth Forum, where young travellers share their stories to entertain and advise one another.

Write an entry (500-600 words) on the Travel Writers' Online Youth Forum.

Include the following points:

- Describe how and where you found the mobile in the first place.
- Explain what happened when you called the last dialed number.
- Explain what surprised you so much.
- Reflect on why you will never forget the journey.

An entry is a separate piece of information that is recorded in, for instance, a book, a diary or on a website. The main aim of an entry is to get it published and thereby share your views with as many readers as possible.
